#GetOnside - FIFA Women's World Cup 2023

As you may be aware, Football Federation Australia, with the support of the Federal Government, is bidding to host the FIFA Women's World Cup 2023. With 24 nations from across the globe, the FIFA Women's World Cup is the world's biggest, and most prestigious, women's sporting event.

We are calling on all Australians to #GetOnside and register their support for Australia's Bid at AusBid2023.com.

A significant number of Australians have already registered their support including the Matildas, Socceroos, [Prime Minister Scott Morrison](#) and prominent Australians across the sports, news, academic, arts and entertainment sectors.

#GetOnside campaign

A FIFA Women's World Cup in Australia would inspire a whole new generation of women and girls, men and boys. It would also deliver significant economic and social benefits to the country.

To demonstrate to FIFA that the Australian Bid has the support of the nation is extremely important. We want to show FIFA that Australians are passionate football and sports fans and will warmly welcome the world.

We would love your assistance in increasing awareness and encouraging the ACT School Sports community to sign up as Bid supporters.

As many School sports participants are children, their parents/guardians would need to sign up on their behalf. We have made it easy to sign up the whole family under one email.

Assistance includes:

- posting images and links to AusBid2023.com on your websites and social media accounts encouraging support; and
- adding graphics and links to the #GetOnside campaign in e-newsletters.

We have created #GetOnside graphics that can be utilised on social media platforms. We are also happy to provide you with tailored graphics for the school community.
