Para-sport Equipment Fund

Paralympics Australia and Sports Australia have launched a fund to help provide sporting equipment for Para-athletes. This includes children in the school system. The fund is not only for students already in the SSA pathway, but also for those in schools who may not be able to fully engage in their school PE lessons due to lack of equipment, for example a sports chair that can be used in various sports. Applications for the first round of funding close on 22 February 2019. The second round of funding will open on 3 May 2019.
